REPLY COMMENTS

Opelika Broadcasting Company ("OBC"), by its counsel, hereby submits its Reply Comments in the above-referenced proceeding proposing to amend the FM Table of Allotments by adding Channel 232A at Opelika, Alabama.

1. OBC is aware of the counterproposal filed by Waverly Radio Broadcasters ("WRB") proposing the allotment of Channel 232A to Waverly, Alabama instead of OBC's proposed allotment of that channel to Opelika, Alabama. OBC continues to believe its proposal presents a more preferential arrangement of FM Allotments, and reserves its right to comment when and if WRB's counterproposal is accepted by FCC Public Notice.

2. In the meantime, OBC reasserts that if the Commission approves the requested allotment of Channel 232A to Opelika, Alabama, OBC will submit an application for a construction permit specifying a transmitter site which provides principal community coverage to Opelika and, if its application is granted, construct the facility.

Respectfully submitted,
